## Blooming Fawn Lilies

Sunday April 27  
1 to 3 pm

*Meet at Uplands Park Sign on Beach Drive*

**Join Kathleen Matthews, Co-Chair of the Friends of Uplands Park on a nature ramble.** Uplands Park springs awake in March with lovely Indian Plum blossoms, Satin flowers and **Fawn Lilies**. **Emily Carr's *Easter Lilies*** in the meadows and along the trails in Uplands Park are delightful as puddles recede and blooms of other wildflowers appear. The rocky outcrops are alive with green moss, and the Nootka rose and Garry oaks start to swell their buds. Wear gumboots, bring your camera and a smile to greet the spring.

**Become a Friend of Uplands Park for Free.** We provide opportunities for stewardship, education and inspiration! Put your email on our list and we will send you information about our events. Contact Margaret Lidkea [mlidkea@shaw.ca](mailto:mlidkea@shaw.ca) or enrol on our blog/website: [friendsofuplandspark.wordpress.com](http://friendsofuplandspark.wordpress.com)

***Check the Oak Bay Active Living Guide for more Nature Walks this spring.***
